85 Liv Walking Club

The first Walking Club adventure was in mid-August with 7 residents participating. The walk was a leisure stroll down through Dumbo doing some window shopping followed by a walk over to the Carousel to enjoy the views and music. The Club then finished by strolling along the beautiful paths in Brooklyn Bridge Park and walked back home. The club walked 3.3 miles and that's a great accomplishment!

The next walk will be in early October. Stay tuned for the email announcement.
